

PLAN OF CONSERVATION AND DEVELOPMENT COMMITTEE APPLICATION

The Town of Enfield will be undertaking the important process of updating and adopting its ten-year Plan of Conservation and Development between July of 2008 and June of 2009.

The Enfield Planning and Zoning Commission and Town Council are soliciting interest from its citizens willing to volunteer their time to help the Town and its consultant put together a plan that will reflect the desires of the community and provide a blueprint for community and economic development for the next decade. Interested persons may view the last plan adopted in 1999 at the Town's webpage: www.enfield.org and navigate to the Planning Department page.

Volunteers must be willing to commit to a one-year process that will involve an average of one to two meetings per month. There are opportunities to serve either on the Steering Committee which will be responsible for the overall coordination of efforts or on one of various functional subcommittees that will concentrate on specific topics.

If you are interested, please fill out the form and indicate no more than two committees that you would like to be considered for. Please return it to the Town Manager's Office, 820 Enfield Street, Enfield, CT 06082 by July 1, 2008.
